

Non-Profit Organizations

Designed for Nonprofits

Our nonprofit market understands nonprofit entities and their unique insurance needs. They are a property and liability insurance and risk management program designed specifically to meet the needs of nonprofits. Their success can be attributed to it:

- Knowledge of the insurance needs of the nonprofit sector
- Commitment to providing education training and support that is vital to nonprofit organizations
- Development of coverages specifically designed for nonprofits

Commitment to Nonprofits

Our nonprofit market is devoted to delivering nonprofits with the insurance support and innovative services that allow you to fully concentrate on the organization's distinct mission. As part of the program nonprofits enjoy:

- An admitted insurance carrier, with no additional fees
- Broad coverages with customizable limits
- Personalized underwriting services
- Best-in-class risk management service
- In-house claims handling and administration

Available Coverages

Our market provides various coverage and limits necessary to meet your nonprofit's needs, including:

- General Liability
- Employee Benefits Liability
- Management Liability including D&O, EPLI and Fiduciary
- Sexual & Physical Abuse & Molestation
- Professional Liability
- Excess Liability
- Property
- Inland Marine
- Crime
- Equipment Breakdown
