## GARAGE PROGRAM

---

### Auto Services

Need a market to insure your clients operating in the auto service industry? Whether they are pounding out dents, applying a shiny new coat of paint or even straightening frames... we have a product for you.

Our product targets auto service & repair shop owners who need garage liability, garagekeepers and the scheduling of incidental autos. Couple that with property insurance protection for owned or leased buildings, business personal property and related business income loss... and you have a powerful package policy to offer your clients.

### Auto Dealers

Don't let this great opportunity drive off the lot!! Automobile dealers encompass a wide variety of exposures relating to sales and repair of automobiles.

Our program includes liability coverage for premise exposures, garage operations, products/completed operations, and incidental off premises. It also includes liability and physical damage for owned autos held for sale. The policy may be endorsed to include coverage for customers' autos left in the care, custody and control of the dealer for repair.
